Internal Quality Assurance Cell Feedback

Analysis & Action taken Report from Stakeholders

(2022 – 2023)

- ❖ Students
- ❖ Faculties
- ❖ Non-Faculties
- ❖ Parents
- ❖ Alumni
- ❖ Employers

Students: The students are the most important stakeholders of Higher Education systems. The enthusiasm and participation of students at all levels plays a vital role in maintaining both internal quality and external quality of the institution. For ensuring the quality, our college has initiated online feedback system designed by IQAC and collected 2771 responses from both under graduate and post graduate students. The feedback received on curriculum and teaching and learning environment helps us to take the required action for enhancing the quality system of our college.

Faculties: As the college is affiliated to Manonmaniam Sundaranar University, Tirunelveli, it follows the prescribed curriculum. But still feedback are collected from teachers regarding suggestions on improvement of the syllabus and facilities. As many senior most staff members are representing in BOS of our university, actions are taken to improve the curriculum for quality education.

Non-Faculties: The feedback from the non-teaching staff is collected on the facilities and working environment and analysed. Based on the suggestions, actions have been taken for improving the supporting environment.

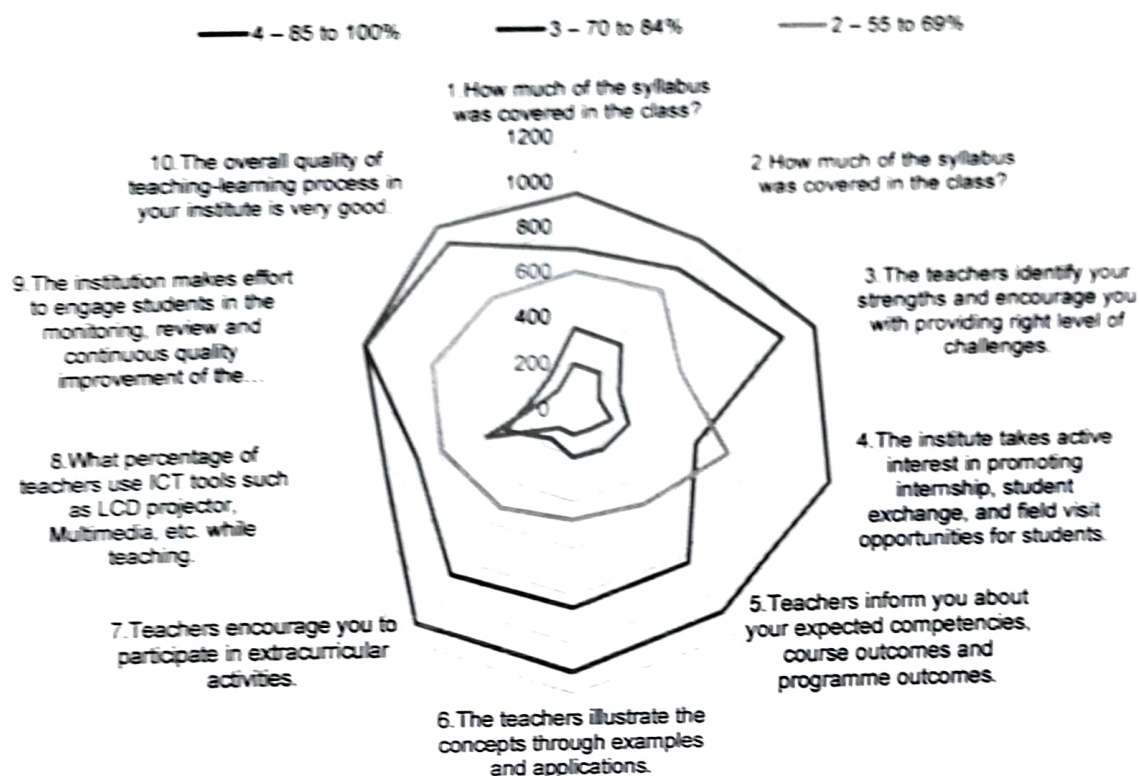

Parents: The feedback from the parents is collected on the facilities and overall performance of the college in various programmes and analysed. We have received feedback from 474 Parents on the overall performance of the college. Based on the suggestions, actions have been taken.

Alumni: Our alumni are valuable for us. They provide us the inputs regarding improvement in facilities and employability of our students. We appeal our alumni to provide their sincere feedback on curriculum and the facilities of our college. We have received feedback from more Alumnae. Based on the comments of the alumni, the improvements have been done.

Employers:

For us, our employers are essential. They give us suggestions on how to make our curriculum better and our students more employable. We request our employers to offer their honest opinions regarding our students' quality and curriculum. The enhancements have been made in response to employers' feedback.

Student Satisfaction Survey (SSS) (Total Responses - 2771)

Analysis:

As a whole, the responses from the students are **86%** in a positive way. Only **14%** of the students submitted their responses to improve

- The teacher comes well prepared for the class
- The teacher discusses topics and interact in the class
- I have learnt and understood the subject material/s in this course
- The teacher encourages participation and discussion in class

Action Taken:

The analysis was documented. Based on the feedback given by the students, it was decided to enhance the teaching and learning environment of the department towards better educational outcomes.
