THOOTHUKUDI – 628 003

BEST PRACTICES

2022 - 2023

I. Co-Curricular Development:

The Institution plays a huge role in contributing to the students overall personal development. Beyond the syllabus the student builds human values, environmental consciousness, cultural development and life ethics. The sense of belongingness towards the nation is fostered amongst the student through various activities initiated by NSS, NCC, YRC, UBA and the various clubs functioning in the college. In commemoration of Thoothukudi Day celebration a Mega Cleanliness campaign and Tree Plantation Drive was organized by the NSS Units. Guest Lecture Programs are also organized to provide the much needed insights to the students about their role in social work. The students also get an opportunity to work with the people of the Rural area Page 124/126 20-05-2024 11:53:12 Annual Quality Assurance Report of KAMARAJ COLLEGE through UBA. Various training programs through UBA contribute to the Self Employment of the youngsters in the adopted villages.

II. Staff Orientation :

Teachers play a significant role in the growth of children. They influence not only the students academic development but also their personal growth and character formation. In order to carry out such a broad duty the teachers must be stress free. The Management makes it a point to prioritize the well being of the staff members. Orientation programs are organized for the staff members every semester to renew their energy. The program enables the staff members to give a fresh start in creating a healthier classroom environment. There is also a great increase in the work engagement among the staff members
